

## Electronic Greetings at CRMC

Cullman Regional Medical Center offers free E-cards for any patient staying in the hospital. When you can't be with your special friend or loved one during their hospital stay, send some words of cheer or encouragement via the CRMC E-Card and one of the CRMC Volunteers will deliver the E-card greeting to your friend or family member's room.

To send an E-card, visit [www.crmchospital.com](http://www.crmchospital.com) and select 'Send an E-card' from the Main Menu on the left of the Web Page. Select your greeting, photo and type in your personal message. In order to ensure that your E-card greeting properly reaches your friend or loved one, please include the patient's room number, first and last name.
